# Free time activities

Learn while having fun

After the classes you can join us in our free time programme: every week we organize a selection of activities so you can meet the other students and practise your Spanish in a relaxed atmosphere. Some activities are free; others will require the payment of a small fee. All will be led by one of our staff or by a Spanish guide.

- In our school: movie shows, music performances, sangría masterclass, cultural workshops...
- In the city: guided tours, visits to the main sights and to the museums, language exchange, treasure hunts, picnics in the parks, tapas and wine bars, typical restaurants, traditional food markets, flamenco shows, festivals and ferias, and many sporting activities (salsa dancing, bowling, cycling, swimming and... football, of course!)
